Small Business Overdraft

The following applies to each bank account for which you have requested and we have approved a Small Business Overdraft:

Small Business Overdraft Fees and Interest

Fee

A monthly administration fee is charged for each bank account that is approved for a Small Business Overdraft. The current monthly fee is \$9.50, and is subject to change by CIBC. This fee is charged whether or not you use the overdraft in any particular month and is in addition to any other charges or fees.

Interest

Interest is charged on the amount of your overdraft, up to the approved overdraft limit for the account, based on the interest rate specified in your agreement with CIBC. Current interest rates (subject to credit approval) are as follows:

Secured Overdraft

Canadian dollar borrowings	CIBC Prime Rate ¹¹ + 0.5% per year
U.S. dollar borrowings	CIBC U.S. Base Rate ¹² + 0.5% per year

Unsecured Overdraft

Canadian dollar borrowings	CIBC Prime Rate ¹¹ + 5% per year
U.S. dollar borrowings	CIBC U.S. Base Rate ¹² + 5% per year

There are two types of overdrafts, **secured** and **unsecured**. For a secured Small Business Overdraft, either you or a guarantor may pledge a cash equivalent as security. To do so, you or the guarantor must sign CIBC's standard Securities Pledge Agreement (in Quebec: a moveable hypothec). Costs incurred by CIBC with respect to the pledge will be charged to you or the guarantor.

How Overdraft Interest Is Calculated

Interest on your Small Business Overdraft is calculated based on the final daily overdraft balance in your account (up to the approved limit for that account) and charged monthly. Any overdraft balance in excess of your approved Small Business Overdraft limit will be charged interest as indicated under "CIBC Discretionary Business Overdraft" on the following page. Interest that is charged to you, and is unpaid, compounds monthly and continues to compound whether or not CIBC has demanded payment from you, starts a legal action or gets judgment against you.

CIBC Discretionary Business Overdraft

Unless you have made prior arrangements with us, we may refuse to allow an overdraft (or an overdraft that exceeds your approved overdraft limit) and may return your cheque or pre-authorized debit NSF. If we allow an overdraft (or an overdraft that exceeds your approved overdraft limit), the following applies:

CIBC Discretionary Business Overdraft Fees and Interest

Fee

A fee is charged at the end of each day on which you create an overdraft or increase the amount of your overdraft (that is not an approved overdraft) due to any action you/your business initiate(s) including, but not limited to: cheques, withdrawals, bill payments, pre-authorized debits and *Interac*® Direct Payments. The current fee is \$5.00 and is subject to change by CIBC.

Interest

Interest is charged on the amount of any overdraft that is not an approved overdraft or exceeds your approved overdraft limit. The interest rate is a variable rate per year equal to CIBC's Standard Overdraft Rate as declared by CIBC from time to time. The current Standard Overdraft Rate is 21% per year.

How Overdraft Interest Is Calculated

Interest on any overdraft that is not an approved overdraft or exceeds your approved overdraft limit is calculated based on the final daily overdraft balance in your account and charged monthly. Interest that is charged to you, and is unpaid, compounds monthly and continues to compound whether or not CIBC has demanded payment from you, starts a legal action or gets judgment against you.

Interest

Interest is calculated and paid monthly based on the Average Monthly Credit Balance and credited to your account on the third business day of the following month. Average Monthly Credit Balance is the average of each day's final credit balance for such month. If your final end-of-day balance is overdrawn, your credit balance is recorded as \$0.00. Interest rates quoted are annual and subject to change without prior notice.

Other Important Information

U.S. Float on U.S. Dollar Current Account

Due to timing delays in dealing with U.S. financial institutions, there is a gap between the time that CIBC gives and receives value for funds in U.S. dollar transactions. This delay is called a "float" and affects the way any deposit interest and overdraft fees or interest charges (collectively referred to as "overdraft charges") will be calculated on your U.S. Dollar Current Account. For example, when you make a deposit in U.S. dollars (other than a CIBC draft), CIBC must collect those U.S. funds through the applicable U.S. dollar banking system. In general, CIBC receives credit for those funds at least one, and sometimes several, business days after the U.S. dollar deposit is made to your account, so we will only give you value for deposits one or two days after the deposit is made. Similarly, CIBC usually gives value to the appropriate U.S. financial institution

for the amount of a U.S. dollar payment drawn on your account at least one business day before the date the U.S. dollar payment appears as recorded in your usual account statement.

Therefore, for the purpose of determining the balance in a U.S. Dollar Current Account for the calculation of deposit interest or overdraft charges payable:

- Each U.S. dollar deposit made (other than a CIBC draft) that may appear on your account statement on the date of deposit will only be considered received and credited to the account (and available for reduction of any overdraft) on the first or second¹³ business day immediately after the deposit is made.
- To ensure same-day credit for deposits of CIBC drafts and cheques drawn on the CIBC branch of account, these items should be segregated from other items and deposited separately.
- Each cash withdrawal, electronic funds transfer, cheque or any other payment drawn on the account (other than drawn for purchase of one or more items at the CIBC branch of account) (collectively referred to as a "withdrawal") or paid out from your account on the corresponding date shown on your usual account statement will be considered effectively deducted from your account on the first business day immediately before that date.
- Based on the above, even if your account balance shows a credit balance because of a U.S. dollar deposit you made, if any U.S. dollar withdrawal is made prior to the date on which we give you value for that deposit (as indicated above), you may incur overdraft charges.
- Saturdays, Sundays and holidays that your CIBC branch of account is closed are not business days for the above purposes.

A supplementary float statement will be sent to you after your account statement is sent, to confirm the daily balances, interest and overdraft charges, adjusted as indicated above. This supplementary float statement will not be sent if there has been no activity in your account to report.

Foreign currency transactions

CIBC may, in its discretion, permit transactions in a currency different from that of your account. The foreign currency will be converted to the currency of your account at the exchange rate determined by CIBC on a date determined by CIBC, which may be different from the date you performed the transaction. If a foreign currency Instrument previously deposited and converted

to the currency of your account is returned to CIBC unpaid for any reason, you agree an amount equal to the foreign currency Instrument will be converted to the currency of your account based on a foreign exchange sell rate determined by CIBC on a date determined by CIBC and the converted amount will be charged back to your account. CIBC is not responsible for any losses you may incur due to changes in foreign currency exchange rates or the unavailability of funds due to foreign currency restrictions. You agree that any claims CIBC may have against you, and any service or other charges related to your account, can be deducted from your account in the same currency as the account¹⁴.

Account conversions

If you change your account type prior to the end of the final business day of the month to an account with a different fee structure, all transactions during that month (including those made before the change) will be subject to the fees under the fee structure that applies to your new account type at the end of the month. However, any fees which have already been paid or deducted from your account during the month (e.g., for money orders) will not be refunded upon conversion.

General Terms and Conditions

- Cheques or debits transacted at your branch may not be included with the account statement.
- Cheques deposited will be credited subject to final payment. We undertake to exercise reasonable diligence to collect cheques, but are not responsible for any delay, notice or failure to collect.
- You may make deposits at any CIBC branch which accepts over-the-counter business deposits (each a "Depository Location"). All deposits made at a Depository Location will be credited to one or more of your accounts (each a "Designated Account"). Your branch of account for any deposits made at a Depository Location will continue to be the CIBC branch which maintains the Designated Account to be credited with your deposits. Each deposit made at a Depository Location, through a teller processing for same day value, will be processed for credit to the related Designated Account as of the same business day. Deposits made through a teller not processed for same day value will be processed for credit as of the next business day. Saturdays, Sundays and holidays that CIBC is closed are not business days for this purpose. Cash withdrawals are not permitted

and cheques cannot be cashed or certified at Depository Locations other than your branch of account. You authorize CIBC to debit your Designated Account for any returned item pertaining to deposits previously processed.

- In most cases, deposits, withdrawals and other transactions done at a branch or bank machine after 6:00p.m. local time, and any Telephone Banking and Online Banking transactions done after 6:00p.m. Eastern Time will be processed the next business day.
- Monthly account, transaction and items deposited fees are calculated for the calendar month up to and including the final business day of the month. Such fees are dated the final calendar day of the month but are not posted until the second business day in the following month.
- U.S. dollar coins deposited or exchanged will be treated as if they are Canadian dollar coins.
- All fees are subject to GST/HST/QST and PST where applicable.
- Please note: In some instances, different charges or interest rates, separately negotiated between CIBC and the individual client, may apply. Other terms and conditions applicable to your account are set out in the account agreements or in the agreement respecting the particular service.
- This disclosure brochure outlines many of the charges for commonly used services. Charges for services not contained in this summary may be obtained from a CIBC business advisor.
- Digital or electronic representations of cheques and other Instruments, or the relevant information from the cheque or Instrument, may be made or captured and used by financial institutions involved in the exchange and clearing of payments in Canada and elsewhere, in which case the original paper item may be destroyed and not returned to you. CIBC is entitled to act upon such a representation or information for all purposes as if it were the original paper item. CIBC and other financial institutions may reject any cheque or other Instrument that does not comply in all respects with all applicable by-laws, regulations, rules and standards of CIBC and the Canadian Payments Association.
