As amended and restated as of May 29, 2026

MUNICIPAL FINANCE AUTHORITY OF BRITISH COLUMBIA

The Issuer:

The Municipal Finance Authority of British Columbia (the “**MFA**”) is a centralized infrastructure borrowing agency for municipalities, regional districts, regional hospital districts and other prescribed institutions in British Columbia (collectively the “**Clients**”).

The MFA was created by provincial legislation in 1970 and is currently governed by the *Municipal Finance Authority Act* (British Columbia) (the “**Act**”). The members of the MFA (the “**Members**”) represent all municipalities in the province, including those in the lower mainland, with the sole exception being the City of Vancouver, which operates under its own charter.

The Board of Trustees exercises and performs the executive and administrative powers and duties of the MFA, including the selection of the treasurer and secretary and its external auditors, with both appointments approved by the Members. There is no Provincial representation on the MFA’s Board of Trustees. Four Trustees represent the Greater Vancouver Regional District (the “**GVRD**”), one represents the Capital Regional District (the “**CRD**”), and the other five represent the other regional districts (the “**ORDs**”).

The Members of the MFA are elected officials appointed by the regional boards in each regional district in British Columbia. The number of Members (40 as of March 2025) is based on the population of the regional districts. The Members represent all 28 regional districts. Eleven Members represent the GVRD, two Members represent the CRD, two Members represent the Fraser Valley Regional District and the remaining twenty-five Members each represent one of the ORDs.

MFA’s mandate includes raising long-term capital through the issuance of securities, for the purpose of funding our client’s projects within British Columbia. Short-term financing needs are met through a commercial paper program for the purpose of providing interim financing for short-term projects, equipment and funding in anticipation of long-term borrowing or qualifying future revenue receipts. The proceeds from the sale of Short-Term Promissory Notes will be loaned to our Clients to provide interim financing, for the purposes enumerated in the Act.

The MFA is a stand-alone credit, with the power to levy property tax on all taxable land in the Province of British Columbia without any senior level of government approval. As such, a direct guarantee is not required by the Province of British Columbia.

The head office of the MFA is located at 217 – 3680 Uptown Boulevard, Victoria, British Columbia, V8Z 0B9. More details, including Annual Reports, and Credit Reports, may be found on the MFA’s website at www.mfa.bc.ca.
